"Life is Like a Curve Ball"

Bert Blyleven is a former Major League Baseball pitcher who played from 1970 to 1992, and was best known for his curveball. Blyleven was inducted into the Baseball Hall of Fame in 2011. He is currently the color commentator for the Minnesota Twins on Fox Sports North. Blyleven's commentary is occasionally risqué for a baseball broadcast, but provides interesting and friendly conversation between him and play-by-play announcer Dick Bremer. One of his trademarks is circling fans with the telestrator on screen. Fans, both at home and at road games, carry signs to the games saying "Circle me Bert."
